The Hydro Globe

The Hydro Globe is a beautiful & practical gift hand made by Craftsmen which keeps plants watered for up to 2 weeks!

The Hydro Globe works by creating a vacuum. When the soil is dry it releases oxygen into the glass sphere which then releases water through the stem into the soil!

Available in 2 sizes Small 5.5cm diameter and Large 9cm diameter

Instructions:

Fill the Hydro Globe 2/3 full with water & place in the soil of your plant. Refill as necessary!

A simple but effective & decorative way to water your plants!

The Candle Globe

A beautiful and ambient night light, mouth blown by Craftsmen using recycled glass!

These beautiful, colourful & decorative Candle Globes create a soft warm glow for use both indoors & outdoors!

Simply place the stem of the Candle Globe into the soil of pot plants & hanging baskets, to create a beautiful conservatory, patio or garden ornament!

Available in 1 size Large 9cm diameter

Also look beautiful as a centre piece for a table decoration by simply placing in an empty wine bottle!
